CORONER'S JURY WILL QUESTION EVERY STUDENT

Coroner is Convinced College Hazers Saw Mount Die

(By The Associated Press) CHICAGO, May 2.—Convinced that college hazers saw Leighton Mount die, if they did not actually kill him, Oscar Wolff, coroner of Cook county instructed the inquest over the bleached skeleton of the long lost Northwestern university freshman today to question every student who took part in the freshman-sophomore rush of 1921, which preceded Mount's disappearance.

Hoping for a clue on which to begin the slow process of elimination the authorities questioned Doris Fuchs, to whom Mount wrote a farewell note before he vanished.

She said she and Mount were merely good friends and that she did not know whether the note she received was actually written by him. She said he must have at least dictated it as it referred to a conversation they had the day before.

J. L. Mount, father of the student whose disappearance gave Northwestern university a two year mystery which was not solved until a twelve year old boy found the skeleton under an old lake pier in Evanston while playing "pirate" was the first witness examined. He testified he saw his son last a few hours before the midnight flight from which the boy vanished.

William Lanning, one of the two police who unearthed the skeleton which was weighted down by rocks and partly covered by sand, testified that when the rocks were removed a knotted piece of rope was found lying across the remains. The testimony was introduced in an effort to show whether the youth's body was bound when it was concealed.

The authorities have abandoned the theory that Mount might have killed himself and have expressed the belief that he either died of asphyxiation after being hazed or rough treatment and was buried under the pile of rocks beneath the breakwater by terrified fellow students who have kept their secret ever since.

Theory of Chief of Police Charles W. Leggett, chief of police of Evanston, declared that the theory which is supported by every known fact and by the testimony of the witnesses, is substantially as follows:

Mount, a freshman, was returning from the class rush alone at about 3 o'clock in the morning when he encountered a band of sophomores.

Arthur Persinger, a sophomore had just been discovered tied to a break water. In retaliation, Persinger's classmates seized Mount and carried him to the lake.

The student, then according to the chief, struggled, was finally overpowered and tied to the breakwater where he collapsed as a result of his exertion. The other students became terror stricken and fled.

Persinger in his testimony denied that he had been tied head downward as was first reported but said he had been tied in a horizontal position to a pier about a mile and a half from the one where Mount's remains were found.

Persinger testified that he was released by two fishermen and that he went back to the campus where he joined a party of classmates for a raid on the gym where the freshmen were gathered. They abandoned the project when they found they were outnumbered, four to one. Persinger said he was later captured and tied and carried to the lake again where his captors tried to duck him, but he escaped and went home.

TO TAKE ACTION AGAINST AGENTS

(By The Associated Press) MOBILE, Ala., May 2.—So serious is the labor shortage in the South Alabama by negro laborers leaving for northern and western industrial centers that contractors and other employers of large number of this class of workmen have called on the county prosecuting attorneys to take action against labor agents.

Hundreds of negroes have been leaving this part every week attracted by the big wages and promises of the labor agents of better living conditions.

SEEK INFORMATION ON SALARY OF FIRE UNDERWRITERS HEAD

State Senate Committee Says it Must Have Figures

(By The Associated Press) SPRINGFIELD, Ill., May 2.—Lyman M. Drake, president of the Chicago board of fire underwriters, must disclose this week his total income from the fire insurance business in forty years, the state senate insurance investigating committee told him this afternoon.

This demand caused some argument between Chairman Daley, Mr. Drake and C. J. Doyle, of Springfield, counsel for fire insurance interests. Mr. Doyle contended the matter was too personal. Mr. Drake offered to state the amount of his commissions on different classes of business, but the chairman said that was not what was wanted.

"This committee is assuming that a business of this magnitude kept up by the public, is a matter of public policy," declared Senator Daley, "and as such, the people who pay the premiums are entitled to know all about it—whether you, Mr. Drake, are making too much or too little."

He added he would insist on a reply at the LaSalle hotel Chicago Friday.

Chairman Daley announced the committee had drafted a tentative bill providing for a central bureau to regulate rates, doing away with all rate bureaus maintained by the insurance companies, such as that of which Mr. Drake is president.

"The committee is now changing the good faith of any man in the fire insurance business," in explaining the tentative bill, said Senator Daley, "but we want to know who is getting the gravy and what they are all getting. Any refusal to furnish the information we want will be sure indication that there is a Senegambian in the cordwood."

U. S. MARSHALS TESTIFY IN RAIL CASE

(By The Associated Press) CHICAGO, May 2.—United States marshals and deputy marshals stationed in various parts of the country testified today in federal court here in the government's action to make permanent the injunction secured last fall by Attorney General Harry Daugherty against striking railway shopmen and the shopmen's organization.

Despite the fact that the defense has withdrawn from the case, the government will present its evidence of disorders and interference with the mails and interstate commerce. Blackburn E. Sterling, solicitor general declared today, adding the hearing would probably consume about two weeks.

Exhibits were produced by the government today showing the effect of the strike on general business conditions and the handling of the mails. In one section of the country, P. O. officials said, mail to 200,000 people had been delayed two to three days.

Among the United States marshals and deputies here to testify are James Swan Asheville, N. C.; Fred Davis, Sioux City, Iowa; George B. McLeod, Macon, Ga.; George B. McLeod, Pensacola, Fla.; Edward Rushad, St. Paul; I. K. Marshall, Kansas City, Mo.; Clarence G. Suthers, Norfolk, Va.; James A. White, Danville, Ill.; Thomas J. Kennamer, Birmingham, Ala.; John H. Cook, Oxford, Miss.; J. C. McClung, Lincoln, Neb.; Wm. H. Hall Cleveland, O.; W. B. Slusher, Roanoke, Va.; W. P. Shreveport, La.; Harry Bull, Charleston, W. Va.; T. S. Davidson, Birmingham, Ala.; Edwin McDonald, Oklahoma City, Okla.; George A. Stauffer, Cleveland, O.; W. R. Tucker, Atlanta, Ga.; Edward Page, St. Paul, Minn.; S. J. Pichs, St. Paul, Minn., and John W. Murray, Springfield, Ill.

RUTENBERG WAS FOUND GUILTY BY JURY YESTERDAY

Faces Prison Sentence and Fine of \$5,000 or Both

(By The Associated Press) ST. JOSEPH, Mich., May 2.—Charles E. Rutenberg, of Cleveland, tonight was found guilty of violating the Michigan law against criminal syndicalism.

"Rutenberg faces a prison sentence of ten years or a fine of \$5,000 or both. The jury was out four hours and fifty minutes and took three ballots.

The first two ballots stood nine to three for conviction, three jurors arguing that the state had not conclusively shown Rutenberg's state of mind on the communist propaganda and plans at the time he attended the party's convention in this country last August and was arrested.

On the third ballot the three were won over by the majority. Rutenberg sat unmoved as Thomas Smith, a farmer, arose as foreman and pronounced the one word "guilty."

There was a brief pause as the defendant stared without expression at the court, then the clerk read in a court verdict the printed formula to which the jurors responded that the verdict given was their unanimous decision.

SMALL PREPARES VETO MESSAGE ON APPROPRIATION

Will Chop About \$440,000 from Brundage Budget

(By The Associated Press) SPRINGFIELD, Ill., May 2.—A veto message cutting various items from the appropriation of \$997,240 to Attorney General Brundage was prepared tonight by Governor Small for transmittal to the legislature tomorrow.

Just how much the governor will shave from the appropriation was not announced, but reports about the state house were to the effect that the figure would be cut about \$440,000.

Some secrecy surrounded the veto message tonight. The only announcement forthcoming from the executive office was that printed copies of the message would be mailed to newspapers throughout the state tonight for publication tomorrow evening.

Two years ago the governor eliminated \$665,000 from Brundage's appropriation which at that time was over \$1,000,000. One of the items which it is said the governor will veto is the appropriation of \$25,000 for prosecution of the Illinois Central cases.

An attempt will be made to pass the bill over the governor's veto when it is reintroduced in the house next Tuesday, according to present plans. To pass the veto the measure will require 102 votes in the house and 34 in the senate.

TWO KILLED BY BURLINGTON TRAIN

(By The Associated Press) MACOMB, Ill., May 2.—Thomas Dabney was killed and Harold Johns, Carl Eling and Ernest McCortz injured when an automobile in which they were riding was struck by a C. & N. Y. train at a street crossing here today.

The automobile was thrown against a nearby pole by the locomotive and Dabney was hurled to the ground, being instantly killed. None of the other occupants were injured seriously, but all were bruised and shaken up. All men were employees of the Morris Brothers shoe factory at Quincy which maintains a branch in this city.

STATE P. ASSOCIATION WILL ELECT OFFICERS

Decatur Ill May 2.—Officers of the State Parent-Teachers Association will be elected in the closing meeting of the convention here Thursday. The following have been nominated: recording secretary, Harry L. Fleming, Bloomington; corresponding secretary, Mrs. Julius Flauto, Chicago; treasurer Mrs. F. P. Boynton, Chicago. The feature of Wednesday's session was an address by Dr. M. V. O'Shea of the University of Wisconsin.

Tells Why Negroes Are Leaving South

(By The Associated Press) JACKSON, Miss., May 2.—A committee composed of eight white men and five negroes to study the critical labor situation in agricultural and industrial sections of Mississippi brought about by the migration of negroes from this state to northern manufacturing centers was appointed at a meeting of business men and plantation owners here today.

Williamson, a negro professor on invitation addressed the meeting and told why in his opinion the negro was leaving the south. "Nobody loves the south more than I do," Williamson said, "I have been teaching school for 48 years in this section and am going to talk to you white gentlemen, frankly because that is why we are here. The negro is not leaving on account of economic conditions. He is a laborer by nature. The negro has gone north for two reasons—one is they have lost confidence in the white man and the other is the violation of their civil rights. The masses of the negro race want to stay here but they are not going to do it under present conditions."

W. W. Stone former state treasurer and a large plantation owner said: "I have lived in the delta for sixty years. 'I have lived among and handled negroes and the reason why the negro is leaving Mississippi is because some white men are swindling them. I know lots of planters who have become rich in this way. They think they are fooling the negroes but they are not."

He concluded by saying strict observance of the golden rule among both races was the only solution of the problem. Another meeting will be held in the near future to further consider the matter.

According to figures compiled by the federal statistician here 7,000 negro farm laborers left the state within the last six months.

"EMPEROR PIC" AND DAUGHTER SUFFER PENALTY

Were Hanged at Sunrise at Fort Saskatchewan Jail Yesterday

(By The Associated Press) FORT SASKATCHEWAN, Alta., May 2.—"The Emperor Pic" to the rum running fraternity of Crow's Nest Pass, and 22 year old Mrs. Florence Lassandra, his confederate in crime, were hanged at sunrise in the fort Saskatchewan jail yard today for the murder at Coleman last September of Steve Lawson of the Alberta Provincial Police.

The girl, whose presence with Piccarillo on many a wild rum-running raid saved him from the bullets of gallant troopers who would not fire on a woman, died protesting that the emperor had double-crossed her.

Pic, he lied and lied and lied, she wailed as she stood on the scaffold facing with eyes on her last sunrise. "I never did any harm to anyone in the world, isn't there anybody here that has any pity?"

The emperor Pic who rose on the crest of provincial prohibition from humble junkman and peanut vender to a place of wealth and great influence in his community, was not there to hear her charge. Summoned first he had mounted the scaffold at 5:15 o'clock, accompanied by Father Fidelis Franciscan Friar to the little Roman Catholic parish, and cure of the village church that stands near the prison gates.

"You are hanging an innocent man," he said, as he was placed over the trap and the guards prepared to adjust the noose about his neck. "God help me."

GENERAL EXODUS OF RUM FLEET

(By The Associated Press) HIGHLAND, N. J., May 2.—A general exodus of the rum fleet that has been off the New Jersey coast for several months began late today when the British tanker Warszawa and yacht Istar got up steam and sailed out to sea. Both were out of sight by dark.

The vessels deserted soon after a government cutter had halted and searched a small unidentified steamer that was steaming towards the fleet. When the cutter headed back towards Rum they the tanker Warszawa, which had been on the row since February, steamed out to sea on a northeast course. The Istar followed a few minutes later, headed southeast.

Great activity was manifested thru the whole fleet, consisting of the tanker, the yacht, a small steamer and four schooners, late today. Smoke was pouring from the stacks of the tanker and the Istar for some time before they fled at the approach of the cutter.

Other members of the fleet showed signs of departure and it was believed they would scuttle out to sea, either to return to their ports or to another anchorage spot under cover of darkness.

The Ista had been on the Row since January, and with the Warszawa was believed to have disposed of the greater part of her cargo of liquor.

PHONE HEARING HELD IN SPRINGFIELD

A number of Morgan county and Cass county citizens were in Springfield yesterday to attend the public utility commission hearing with reference to the Arenzville Telephone Co. pituitary. A number of telephone subscribers living in the vicinity of Concord and Arenzville and who were represented by J. Marshall Miller as attorney, filed a petition with the commission asking that they be detached from the Arenzville company and attached to the Illinois Telephone Co. Inc. Both the Arenzville and the Illinois Co. object to the proposed plan.

ALICE NUTTAL IS GIVEN TO FOSTER MOTHER BY COURT

Real Mother Refused Possession of Child She Abandoned

(By The Associated Press) CHICAGO, May 2.—Little Alice Nuttal, center of a legal battle between her real mother and her foster mother, Mrs. James Nuttal, was awarded to the latter today by Judge Joseph B. David today.

The decision came after the child had been placed on the witness stand to decide between Mrs. Ada Morris, the mother who found her after eleven years search, and the couple who had adopted her.

"I prefer to live with Mr. and Mrs. Nuttal," Alice said. "I think I could learn to love my real mother, but not as I do 'mother' and 'daddy.'" And then Judge David, declared that the law in the case would be regarded as subordinate to the child's wish.

"The child's welfare is the paramount issue in this case," Judge David declared and added that this had been lost sight of by the parties concerned owing to the heat of the contest.

Judge David, who was assisted in the case by Judge Claire C. Edwards, ordered that Alice should remain with her foster parents as she desired until she is fourteen years old but that the real mother should be permitted to visit her at any time and might even be permitted to take her for stated periods on application to the court.

"It is apparent that the baby, born out of wedlock," he said, "was given to the Illinois Home and Aid society by relatives of the 17 year old mother in order to avoid scandal. The mother may be thankful that her child fell into the hands of the Nuttals who have given it a splendid home and upbringing."

"The child is now at the age of incipient womanhood. There is no doubt that the mother can give her a proper home, but it would be wrong to tear her away from the home and surroundings she has known for twelve years."

TRANSCONTINENTAL PLANE IS MAKING EXCELLENT TIME

Is Traveling at a Rate of 100 Miles Per Hour

ST. LOUIS MO, May 2.—Maintaining a speed of approximately 100 miles an hour, the T-2, a giant army monoplane, tonight was speeding toward the snow-capped Sierra Nevadas, on a non-stop flight from New York to San Diego.

Taking off from Roosevelt field at Hempstead, New York at 1:36 o'clock this afternoon, the plane passed over St. Louis at 9:15 P. M. tonight on a transcontinental non-stop flight to San Diego, California, within 32 hours.

Carrying Lieutenants John A. MacReady and Oakley G. Kelly, the plane soared over the Alleghenies dropped into the Ohio valley and passed over Dayton, where it was greeted by a squadron of planes from the Wilbur Wright and McCook fields, at 6:59 P. M.

At Indianapolis the sky voyagers were greeted by another squadron of planes from Fort Benjamin Harrison. The aviator reported that the motor of the transcontinental ship was running perfectly.

Almost a thousand miles of the approximately 2400 mile journey had been left behind when the ship was swallowed up by the mists hanging low over St. Louis.

RANNY YOUNG NOW IN HALL OF FAME

Rockford, Ill., May 2.—Ranny Young, late coach at Millikin University, pitched a perfect game against Rockford today, allowing no hits or passes and being faced by 27 batters. He is a right hander and was much fancied by scouts last year. He was given good batting and fielding support by his Bloomington mates and Rockford was defeated nine to nothing.

ILLINOI LODGE TO HOLD CELEBRATION

At a recent meeting of Illini Lodge No. 4, I. O. O. F., it was decided to hold in the near future a celebration of the tenth year of the occupancy of the new temple on East State street. The lodge is in a flourishing condition financially, and the trustees expect soon to call for the retirement of several thousand dollars worth of the outstanding bonds.

OFFICIALS ARE STILL AT SEA IN AURORA MYSTERY

Surgical Instruments May Have Bearing on Case

(By The Associated Press) AURORA, Ill., May 2.—Surgical instruments found in the home of Warren J. Lincoln, distant relative of Abraham Lincoln and retired attorney who disappeared Sunday night, were believed by the authorities tonight to have an important bearing on the mystery.

John Lincoln of Chicago, son of the missing man, told Sheriff W. E. Orr today when recalled for further questioning regarding his father's affairs, that when visiting the home about a month he had run across a carbon copy of a letter written by his father to two sisters and a brother of Mrs. Lincoln, estranged wife of the missing man.

This letter, the son said, accused Byron Shoup, Mrs. Lincoln's brother, of having performed an operation on Mrs. Lincoln. The letter, according to the son, asked the brothers and sisters to persuade Mrs. Lincoln to return to her husband but added that they must not keep Lincoln from taking steps to punish Shoup. The letter, according to the son, was addressed to Clara Leschbaugh, Maquoketa, Iowa; Phillip Shoup, Savannah, Ill., and Mrs. W. E. Lachenmeyer, Mt. Pulaski, Ill.

Evidence Against Shoup

Edward Lincoln, brother of the missing man, said that his brother had told him that he had sufficient evidence to prosecute Byron Shoup, but did not indicate what the evidence was. He added that his brother had told him that he had in his possession letters written to Mrs. Lincoln.

None of these letters have been found by investigators. The authorities who have been working on the theory that Lincoln may have been killed by a blood-stained Indian club, found in a thicket near his home, and the body secured, had at first believed that the surgical instruments belonged to Mrs. Lincoln.

Following the statement of John Lincoln today, Sheriff Orr said he now believed the instruments belonged to Shoup who had been staying with the Lincoln's and with whom the missing man had quarreled on various occasions, according to relatives.

Investigators searching for the missing man placed some importance in the finding of a small hand saw which apparently had been secreted under a pile of boxes at the Lincoln home. They said they believed it may have been used in disposing of the body if Lincoln had been killed.

Search for Mrs. Lincoln, her brother, Byron Shoup, and a sandy complexioned man who Lincoln had told the police was trailing him several weeks, continued without result today, so far as the authorities could learn.

They have asked Wichita, Kansas authorities to assist Shoup and the Lincoln's having formerly resided there.

Two advertisements appearing in the personal columns of Chicago newspapers in March were believed to have been inserted by Mrs. Lincoln. The ads signed "Lina" advised "George J." that she had left "W. J." for good and the other told another man of an opportunity to tour the world.

GERMANY SUBMITS HER PROPOSAL

(By The Associated Press) BERLIN, May 2.—Germany has placed her latest proposals respecting reparations in the hands of the allied powers and the United States. Their chief feature is an offer of thirty billion gold marks in payment of her obligations under the treaty of Versailles. The payment of this amount, however, is dependent on the raising of a loan.

There is a wide divergence of opinion in political and neutral diplomatic circles in Berlin with respect to the effectiveness of Germany's new reparations note. Criticism of its "elasticity" and apparent lack of precise formulation is countered in official quarters with the assertion that the note provides a workable basis for serious negotiations, in that it not only suggests a definite starting point, but also urges liquidation of neutral expert judgment in the event the creditor nations are unable to agree on the question of fixation and other debatable points.

NEW YORK CHILDREN STAGE SUGAR BOYCOTT

New York, N. Y., May 2.—Two thousand East side children joined the house wives' boycott against high sugar and took a pledge not to use it until the price comes down.

The women's campaign met with partial success when four of the largest chain grocery stores in the city cut the price to ten cents a pound today, a drop of half a cent, from last week's high.

SENATE APPROVES BILL FOR WOMEN SERVING AS JURORS

Provides for Names Being Put on Jury Lists by Officials

(By The Associated Press) SPRINGFIELD, Ill., May 2.—By passing three bills introduced by Senator Hamilton, republican Mattoon, the state senate tonight approved of women serving as jurors. Two of the bills provided that county boards and jury commissioners shall place men and women electors on the jury lists.

The third bill provides that women jurors are to be kept separate from male jurors while not deliberating on the verdict, and are to be in charge of a woman bailiff.

Any person who sells or furnishes poisonous intoxicating liquor for beverage purposes is liable for murder under the bill of Senator Wood, republican Keenes, which passed the senate unanimously. Among other bills passed was that of Senator Marks republican, Chicago, authorizing enforcement of decrees, entered by courts of other states ordering payment of alimony, by Illinois courts on filing of a certified copy of the other state's court decrees.

The house likewise disposed of several measures today, including the Glackin senate bill appropriating \$25,000 for completion of a monument in Lincoln Park of General Phil Sheridan. This was not approved without some hot arguments, representative Church, republican, Evanston, declaring the bill should be defeated, and representatives Igoe, democrat and Smejkal, republican of Chicago, asserting it was an obligation to pass it.

Two years ago the appropriation to start the status was voted as a part of the Omnibus bill, rushed through the assembly in the closing hours of the session. It had been defeated as a separate bill. Mr. Church contended that since it had been beaten on its merits last session, it should be killed now.

Final approval was given by the house to the senate bill taxing shares of stock of no par value. Passed and signed by the governor some weeks ago it had to be re-enacted to amend the entire clause.

As it has not been engrossed the house boxing bill will not come up for disposal until next week. Speaker Shanahan told representative Lyon, republican, Chicago, today that he will not set a definite date for its disposal.

GOVERNMENT TAKES POSITIVE POSITION

(By The Associated Press) WASHINGTON, D. C., May 2.—The American government, taking a positive position with regard to the transportation of liquor into territorial waters of the United States, decreed today that the rigorous interpretation of the prohibition law given by the supreme court shall become effective June 10.

Secretary Hughes was requested by the treasury to communicate notice of the decision to all foreign governments. The treasury has jurisdiction over all prohibition enforcement, suggested that the state department advise foreign governments that all ships entering the three mile limit would be subject to the new application of the law without exemption and that no further pronouncement may be expected from this government regarding the effective date.

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no natural energy, trouble with undigested foods? Take Olive Tablets—the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 15c and 30c (adv.)

MURRAYVILLE CLUB

IN REGULAR SESSION Mrs. Vernon Baker very pleasantly entertained the members of the Murrayville Domestic Science club Wednesday afternoon at her home in Murrayville. The afternoon program began with a selection on the player piano, "In the Sweet By and By." Roll call was responded to with some current event, many interesting happenings of recent date being given at this time.

Next came a reading by Mrs. S. B. Robinson, "What is Home Without a Mother?" which was rendered in a very pleasing manner. A paper came next, "Grasping the Golden Moments of Childhood," by Mrs. R. D. Mawson. This was an excellent paper, containing many thoughts which were an inspiration to all present.

Fifteen members were present on this occasion, together with six guests. The guests were Mesdames Louis Sooy, W. E. Wright, Warren Jones, John Spangenberg, Albert Hayes and Mrs. Florence Baker.

At the close of the program the hostess served delicious refreshments consisting of chicken sandwiches, pickles, coffee and caramel float.

The next meeting will be held at the home of Mrs. W. B. Rimbey.

TRACK AND LITERARY CONTESTS AT CHAPIN

Arenzville, Mercedosia and Chapin Will Meet Friday—Illinois College Band to Furnish Music

Chapin, May 3.—The strong track team of Chapin high school meets its old rivals, Arenzville and Mercedosia, on the local field Friday afternoon. The three teams are rather evenly matched and a heated contest before a record breaking crowd is expected.

Chapin relies strongly on Crabtree who has taken several blue ribbons in the past on the 100 yard dash and pole vault; Aufdenkamp who walked off with first place in the shot put and 440 yard dash in competition with Winchester and Bluff; last week is expected to carry off the same honors this week.

Arenzville relies on W. Rice who won first place in the pole vault and javelin in the Cas county meet last Saturday. P. Rice is Arenzville's second strong man who will make things interesting in the broad jump for Smith and Baker of Chapin.

Mercedosia claims first place chiefly through the efforts of Hyde, the all round track athlete and basket ball star.

Illinois college band will enliven the meet by music during the contest. This attraction is expected to draw a record breaking crowd to the local field Friday afternoon.

An a la carte supper will be served by the high school at a nominal cost immediately after the track meet. This is arranged for the convenience of the visitors and as a social gathering between the track meet and the evening program. The public is invited to attend and help entertain the out of town guests.

In the evening at the Grade school assembly Chapin, Arenzville and Mercedosia will stage their annual literary meet. Arenzville and Chapin both have splendid talent; Mercedosia has exemplified her literary prowess in previous work of this kind, consequently the keenest competition is anticipated in this meet.

Both Chapin and Arenzville are entering glee clubs which will be the outstanding attractions of the evening program.

Lasting Satisfaction in the Hupmobile

Satisfaction is perhaps the one word which best describes the feeling of every Hupmobile owner.

Satisfaction — with the faithful way it performs the tasks he sets for it to do; with the fact that it requires next to nothing in the way of expert care and adjustment; with low costs that stay low all the year 'round.

Satisfaction, in short, because the Hupmobile always does the things he wants it to do in the way he wants it to do them.

BIG IDEA LIES BACK OF WELFARE PICTURE

Movie Producers Film Dance at State Hospital—Idea of Historical Liberty at Capital Inspires S. J. Stannard to Work Out Plan.

A wonderful educational picture, backed by a big idea, a film that depicts in striking reality the welfare work of the great state of Illinois; this is the "Organized Good Samaritan," the film now being made in the state institutions of this city.

Last night patients at the Jacksonville State Hospital danced under the glare of the studio lights and in front of the movie camera. In the background, the picture, the hospital orchestra played for the dancers. A square dance and waltz were filmed, while attendants, patients, officials of the institution and those in charge of the work of making the picture were interested spectators of the scene.

The last three days at the state hospital have been busy ones for the picture producers. Yesterday afternoon, pictures were taken of the musical comedy and other amusements carried on at the institution. Tuesday the camera was trained on the work of the hydrotherapeutic department, the staff examination of a patient, etc. G. L. Hughes who has been playing the role of the patient, has been taken through various departments of the institution, and today will go through the occupational therapy work.

The main story of the picture centers around the state hospital here and the state penitentiary at Joliet. It is considered a great boon for the local hospital that the special work of the various departments is filmed at this institution. The choice of the state in this matter speaks highly for the quality of work done here.

Other Pictures to be taken

Pictures will be taken at the School for the Blind and School for the Deaf during the latter part of the week. The work of the camera men at the state hospital will probably be finished up today.

"The Organized Good Samaritan" will be released sometime this summer. It is the first attempt at anything of the kind on the part of the state. Mr. George, the photographer of the production staff, has already developed some of the negatives, and the results are strikingly clear and distinct. The films have been made under the most favorable conditions, and the artistic work is high grade. Some special views of the institutions will be shown. Airplane pictures were taken of the prison at Joliet.

The big idea mentioned in the first paragraph of this article is really the most important part of the entire enterprise. But there cannot be a big idea without a big personality to produce it, and there are several such personalities back of this picture. They are all members of the production staff. Each one is the center of an interesting story, and all are doing their part to make the picture a success.

Work Is On Large Scale

S. J. Stannard, the director of the work, is superintendent of the state Dairy Division. He has made several pictures for the state, but none on such a large scale as the present one. It has been his idea to establish at the state capital a state library of historical and educational films. With this in mind he worked out the idea of the present production. It was sometime before he could get the state authorities to see the importance of the work he wished to do, until the matter was brought to the attention of the governor thru a requisition for some materials needed by Mr. Stannard.

The governor requested Mr. Stannard to come and see him and explain his plan. He then authorized him to proceed with the work and put the resources of the state at his command. A supervisory committee was appointed, made up of L. H. Becker, superintendent of charities, Col. A. E. English, state administrative auditor, and B. M. Davison, director of agriculture.

Mrs. Marie L. Welles of Elgin, Ill., is another important member of the filming party. She wrote the scenario for the picture, and is helping to direct its production. Mrs. Welles is a writer of national reputation. A number of her articles have appeared in leading magazines, and she is now under contract to furnish a series of personality articles for the American Magazine.

Mearl M. Emerick, who played the part of the holdup man and the convict in Joliet, was for some time on the stage with a leading theatrical company. He is an experienced actor and his work in the role of a convict was exceptional. He has one more appearance before the camera, showing the prisoner working without guard in a garden on the farm. This will be taken at the state hospital farm today.

"The Organized Good Samaritan" will be exhibited throughout the state. It will be featured at county fairs and at the Illinois State Fair in Springfield. Women's clubs and other organizations may secure the picture from the state department free of charge. It is hoped that Jacksonville will be among the first cities to put this picture before the people.

Social Events

Gleaner's Circle

The Gleaner's Circle of Ebenezer church met yesterday afternoon at the home of Mrs. J. W. Martin, assisted by Mrs. William Hadden. Following the roll call the election of officers was held. The result of the election was as follows:

President—Mrs. William Hadden. Vice president—Mrs. Otis Madison.

Secretary—Miss Elsie Cully.

Treasurer—Miss Dorothy Houston.

Reporter—Mrs. Carl Martin.

Planist—Miss Edna Bracewell.

Chairman of social committee—Mrs. J. W. Martin.

Chairman of lookout committee—Mrs. Clyde Cooper.

A short program was then carried out. Mrs. Clyde Black gave a vocal solo and Mrs. Earl Bridgman a reading.

During the social hour refreshments were served.

Union Baptist Missionary Society met Wednesday.

Union Baptist Missionary So-

Society met in all day session with Mrs. P. J. Lukeman. The hostess was assisted by Mrs. James B. Wood. At noon a sumptuous dinner was served to quite a large attendance of members and four guests. The business session was in charge of President Mrs. Charles Wood. Mrs. Leonard Wood read the 11th Chapter of John, followed by prayer by Mrs. Mary Lukeman. After the business was attended to plans for the future were discussed. Fifty dollars was voted to be presented to a neighbor who had lost her home and all contents by fire. Ten dollars was assigned to Mrs. Minnie Curry to be used for purchase of material to make dresses for girls of Huddleston Home, the work to be done at next meeting. The flower committee was instructed to present a bouquet of flowers to the little daughter of Mr. and Mrs. George Mosley, who is very ill. The remainder of the day was spent in work for Passavant hospital. The friends of the hospital were invited to the annual banquet to be given on the lawn May 11. The meeting adjourned to meet

with Mrs. Leonard Wood the first Wednesday in June.

French Class of High School Picnics Tonight

The members of the French class of the Jacksonville high school will enjoy a picnic at Gravel Springs this evening. The class numbers about forty and will journey to the springs in cars. Miss Hildred Ashwood will be the chaperone. The committee in charge of the refreshments consists of Misses Grace Fitch, Eleanor May Ames and Helen Phelps.

Social Club Met

Mrs. E. A. Olds entertained members of the Wednesday Social club Wednesday afternoon at her home, 223 West College avenue. There was a large attendance of members and the afternoon was spent in a pleasant social way, the hostess serving refreshments.

Business and Professional Women to Meet Tomorrow

The regular meeting of the Business and Professional Women's club will be held 8 o'clock tomorrow in the club rooms of the Congregational church. Dr. R. V. Brokaw, county health officer, will be the speaker of the evening, and will discuss "Individual Health."

Two young women who are students at the Conservatory of Music will furnish musical numbers. Miss Louise Renner will give a violin solo and Miss Ruth Dorwart a piano selection. The meeting will probably be largely attended, as it is an open meeting and the members are urged to bring guests.

FARRELL STATE BANK

Supervising Engineer Huntsman of the Wabash railroad was in the city yesterday, on business connected with the railroad's interests in the proposed new pavements in Jacksonville.

GROCERS HAVE PLANS FOR ORGANIZATION

Meeting to Discuss Project Will Be Held at Early Date—"Mutual Aid—Not Profit" Will Be Slogan.

Recently mention was made in these columns of a movement which had been started to organize the independent grocers of Jacksonville. Work on this project has been going steadily on and a short time ago letters outlining the proposition were sent to every grocer in this city. These letters asked the grocers to sign and return a postal card which had been enclosed, thereby indicating their willingness to be present at a meeting and banquet to be held in the near future at which time the whole question would be gone into.

It was learned yesterday that the following grocers had expressed their intention to be present when called, believing that an organization as outlined could be made of great individual benefit to them and in turn to the public.

P. J. Shanahan, W. M. Coverly, J. H. Zell, Ferry Bros, O. C. Ingram, George Vasconcellos, A. R. Taylor, H. I. Simonds, Ferry & Sons, C. W. Nichols, Koepping & Sons, J. Winstead, S. F. Birdsell, Bergschneider & Kmie, George C. Douglas, A. W. Leek, W. F. Cook and A. L. Barnhardt.

Wait Forty at Banquet

It is felt by those interesting themselves in this proposed organization that at least forty out of a total of sixty-eight should signify their intention to be present at the banquet and meeting when it is called. This would be a fair majority representation of the city's grocers and would be certain to bring about all phases of the grocers problems and how they could best be met. It is particularly desired to have a large representation present of grocers doing business in the residence districts, and the hope is expressed that those who have not gone so will sign and mail in their cards at once in order that a meeting may be called soon.

As has been stated those interested in the movement have gained their inspiration and hopes for an organization from watching the progress of the Automotive Dealers association during the past nearly four years and would like to have it follow along that association's general plans.

The proposed association would be incorporated and have for its slogan, "Mutual Aid—Not Profit," and its proposed objects would be the promotion of acquaintance and friendly relations, to educate the public to the importance of the grocery business in this city, the really great variety of foodstuffs carried, and that quality for quality and once for once all food can be purchased just as cheaply here as anywhere else in the country.

Miss Amy Darnley of Passavant hospital went to White Hall Wednesday, for several days visit with friends and relatives.

The High-Grade Gasoline

Gasoline Service is expressed in terms of mileage. When you buy 10 gallons of gasoline, in reality you are buying 150 miles of service, if you get 15 miles to the gallon.

Gasoline becomes a propelling force only when you cause it to vaporize and mix it with air.

The service which you receive is in exact ratio to the manner in which the gasoline vaporizes.

Red Crown Vaporizes to the Last Drop

that's why there is no waste. Red Crown has a Perfect Chain of Boiling Point Fractions, adjusted so as to vaporize at just the correct temperature to produce instant starting Winter or Summer—a quick pickup—smooth acceleration—tremendous sustained pulling power—racing speed if you want it and a maximum of mileage.

All of which is summed up in two words "Real Service".

S.S.S. routs Eczema

Here's something about S.S.S. that you'll be glad to hear.

We know there is one thing that stops eczema, and that is more red blood-cells! S. S. S. builds them by the million! You can increase your

S.S.S. clears up skin eruptions through its power of cleansing the blood.

red-blood-cells to the point where it is practically impossible for eczema to exist. We know that as blood-cells increase in number, blood impurities vanish! We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it. Skin eruptions, eczema with all its fiery, skin-digging torture and its soul-tearing, unreachable itching, pimples, blackheads, and boils, they all pack up and go, when the tide of blood-cells begins to roll in! Blood-cells are the fighting giants of nature! S. S. S. builds them by the million! It has been doing it since 1826! S. S. S. is one of the greatest blood-cell builders, blood-cleansers and body builders known to us mortals! When you put these facts together, then to continue to have eczema and skin eruptions looks more like a sin than a disease. S. S. S. contains only vegetable medicinal ingredients. Because S. S. S. does build red blood-cells, it routs eczema, builds firm flesh, fills out hollow cheeks, beautifies the complexion, builds you up when you are run-down. S. S. S. is sold at all good drug stores. DEMPEY-GIBBONS MATCH TO BE CLOSED

CHICAGO, May 2.—The Dempsey-Gibbons world's heavyweight championship match, scheduled for July 4, will definitely be closed here tomorrow with the arrival of Jack Kearns, manager of the heavy-weight champion.

Eddie Kane, representing the Paul challenger, arrived tonight to join Mike Collins manager, representing the promoters. Collins has a certified check for \$110,000 to turn over to Kearns the minute the articles are signed. The amount will be given the champion as a guarantee that the contest will be staged.

The only issue to be considered before the articles are signed will be the selection of a referee and the size of the ring and other details. A clause in the articles provides that in Great Falls, Montana, six weeks in advance of the contest finish their training. A list of a dozen referees, all acceptable to Kane, will be submitted to Kearns for consideration.

tion. The list include Harry Ertle of Jersey City, referee of the Dempsey-Carpenter match; Matt Hinkle of Cleveland; Walter Eckersall of Chicago; Jimmy Daugherty and Billie Roca of Philadelphia, the New York promoter and James J. Corbett, Rickard, in addition to promoting the Johnson-Jeffries match, was the third man in the ring.

Collins said an arena, holding 40,000 persons would be constructed and with the prices set from \$20 to \$50, the gate receipts can reach \$1,240,000. However, he does not expect a capacity crowd, but believes the receipts will go over \$750,000.

Dempsey will receive fifty percent of the receipts, while Gibbons will box on a small percentage, the amount of which was not announced.

BOHNE'S WILD THROW GIVES GAME TO CUBS

Had Double Play in Sight When Miscue Came—Cubs Then Score Two Runs and Win

CINCINNATI, Ohio, May 2.—A wild throw to second base by Bohné with a sure double play in sight which would have retired the side scores gave Chicago a ninth inning, 2 to 1 victory over Cincinnati today, evening up the series of four games. Until the ninth inning had the visitors blanked. With runners on first and second and one out Grimes hit a bouncer to Bohné who threw far over Caveney's head and both runners scored. But for this misplay the Reds would have won on one hit. Cub pitchers gave seven bases on balls and the Reds stole six bases.

SMITH SIGNS REAMS RIGHT HAND PITCHER

Pitcher Reams, a right hander, now residing in Beardsdon, but who pitched for Astoria the last two seasons, signed an index contract yesterday, according to a statement given out by manager Frank Smith.

The grounds are now in playing condition, and all is ready for the opening of the Jacksonville baseball season, next Sunday, at 2:45, when the local team will entertain the Peoria Liberties.

Work on the grounds will continue for about two weeks yet, to get them in perfect condition for the summer.

JOHNSON AND SCOTT STAGE CELEBRATIONS

WASHINGTON, D. C., May 2.—Walter Johnson, Washington's veteran pitcher, in shutting out the New York Yankees today 3 to 0, pitched his 100th scoreless game as a major leaguer, and he did it on the day Everett Scott, Yankee shortstop was playing his 1,000th consecutive major league game.

Scott was the center of attraction; Johnson the hero of the game. All of the 8,000 fans who flocked to American league park knew Scott had already participated in 999 straight games. Few of them realized, however, that their pitching idol had scored 99 shutouts since joining the Washington club in 1907.

Long since, Scott had shattered the record of both leaguers for playing in consecutive games and Johnson has passed the mark of scoreless victories of pitchers in the majors.

BOSTON WINS ITS SIXTH STRAIGHT

PHILADELPHIA, May 2.—Boston won its sixth straight game and made it three in a row from Philadelphia today by defeating the locals 11 to 7. Both teams scored almost at will in the opening innings but after three pitchers had been driven from the mound Oescheger and Wehner stopped the attack.

AMERICANS ARE LEADING BRITISH

LONDON, May 2.—American amateur golf players tonight at the end of the first day of play in the tournament for the St. George gold challenge cup stood first and second over the pick of Great Britain's sterling performers and were tied for third place with Englishmen. Dr. O. F. Willing, the Oregon state champion, led the field over the 18 holes with a score of 74 and Robert A. Gardner, captain of the American team, turned in a card of 75.

Right behind them came Francis Ouimet, former American champion, with a card of 76, tied with Roger Wethered and Michael Scott. The St. George cup is among England's finest golf trophies and in the third five years of its existence it never has passed into alien hands. Tonight some of the more pessimistic of the followers of the tournament expect to see the possibility of the cup going overseas.

BIG ATTENDANCE AT EVANSVILLE GAME

CHICAGO, May 2.—President A. R. Tearney of the Three Eye League today was greatly gratified with the large attendance at the opening games of his league yesterday. The turn-out at Evansville, which reported a paid attendance of 4,021, he said was very good. The total attendance in the four cities, Evansville, Terre Haute, Moline, and Rockford was estimated at close to 12,000.

"From present indications," president Tearney said "indications are that this year will be one of the most prosperous the league has experienced."

"Gets-It" Friendly Enemy of Corns

They Die While They Sleep

The only good corn is a dead corn. A few drops of "Gets-It" will quickly start any corn on the way to "the happy hunting ground." "Gets-It" brings instant relief from all pain and burning. One bottle contains enough "Gets-It" to remove a dozen corns, old or new. Costs you nothing if it fails—but it doesn't fail. Let your druggist tell you why millions demand it. E. THIS LITTLE BABY GIRL

Was Benefited by the Good Her Mother Got from Lydia E. Pinkham's Vegetable Compound

Pittsburgh, Pa.—"I took Lydia E. Pinkham's Vegetable Compound before my little girl was born, and the effect it had was wonderful. This will be the first child I have nursed as I had to bring my two boys up on the bottle. I was very nervous and worried, tired all the time, and after I read about the Vegetable Compound I tried it and kept on with it. I still continue its use and recommend it to my friends. You may publish these facts as a testimonial for your medicine."—Mrs. Wm. Klinge, 169 Plymouth St., Pittsburgh, Pa.

It is remarkable how many cases have been reported similar to this one. Many mothers are left in a weakened and run-down condition after the birth of the child, and for such mothers the care of the baby is well-nigh impossible. Not only is it hard for the mother, but the child itself will indirectly suffer.

Lydia E. Pinkham's Vegetable Compound is an excellent tonic for the mother at this time. It is prepared from medicinal roots and herbs, and does not contain any harmful drugs.

BUTTER MARKET
STEADY TO FIRM

CHICAGO, May 2.—Moderate supplies and fair demand left the butter market here today steady to firm. It is fairly easy to trade on the basis of the below quoted prices, but hard to sell for any more unless the lot offered was particularly attractive. Top scores were relatively the highest in demand with the 88-90 scores cleaning up more closely. More lots of the latter brought premiums. The car market was also steady to firm and fairly active. Though apparently strong for the moment, however, an undertone of nervousness prevails which makes most dealers anxious to keep goods moving.

Comfortable Feet Are the Foundation of Good Health

A number of nervous disorders and general bodily ailments are due to ill-fitting shoes. Women cannot be healthy when suffering with foot discomfort.

Your doctor will tell you that cramped toes, high heels and rigid shanks often cause fallen arches and many attendant forms of poor health.

The Cantilever Shoe is built on the natural lines of the foot, with a flexible arch which supports the foot, at the same time gives with the motion of walking. This freedom of movement exercises the muscles of the arch and strengthens them.

In designing Cantilever Shoes, the natural inner-sole line is adhered to so that the bones and ligaments of the foot are not distorted as in ordinary shoes.

NEW BOARD TAKES OATH OF OFFICE

S. L. Perry Sworn in as President of South Jacksonville Last Night—O. B. Heintz, William H. Hembrough and B. Kopsmeyer Trustees

South Jacksonville installed a new president at the meeting of the village board Wednesday evening.

S. L. Perry, who resides on West Greenwood avenue, was sworn in by E. E. Beasly, village clerk. O. B. Heintz, William H. Hembrough and B. Kopsmeyer were sworn in as trustees for another term.

L. O. Berryman, the retiring president, on account of poor health, had declined to be a candidate for re-election. He had filled the office of President very acceptably for three terms.

The board designated the week beginning May 7th as "Clean-up Week" in South Jacksonville. All residents and property owners are requested to clean up their respective premises during the week. On May 9th and 10th, the board will employ teams to haul away all indestructible rubbish, ashes excepted, which is placed in front of the residences near the street line.

VIRGINIA GIRL DIES OF BURNS

Rachel Brunk Receives Burns from Gasoline Explosion that Result in Death

Virginia, Ill., May 2.—Miss Rachel Brunk, fourteen year old daughter of Mr. and Mrs. Edward Brunk, of this city died at a Springfield hospital at one o'clock today from injuries received in an explosion here.

She was employed at the home of Mrs. Virgil Robinson at the time of the accident. In starting a fire, she mislaid the gasoline can for the one containing kerosene, an explosion following, which burned her seriously. With her clothes in flames, she ran from the house, crying for help. A neighbor, Mr. Thompson, heard her cries, and calling Mr. Robinson to his assistance, they succeeded in smothering the flames with blankets, but not until she was badly burned.

Two local doctors were called and she was rushed to the Springfield hospital, but died very soon after reaching there.

She is survived by her parents, and one brother, Howard. The remains will be brought to Virginia tonight. Funeral arrangements will be announced later.

P. T. SHANAHAN DIED WEDNESDAY MORNING

Long Time Resident of County Passed Away—Funeral Services Friday Morning

P. T. Shanahan, one of the county's best known residents died at Our Saviour's hospital at 9:15 o'clock Wednesday morning. He had been failing health for more than a year.

Decedent was born in County Clare, Ireland, in 1843 and came to America when he was 18 years of age. He came directly to Jacksonville and his residence since has been in this city and vicinity.

In his early years Mr. Shanahan was a contractor and was associated with J. V. Correa. They were the builders of the dam for the lake at Nichols Park.

Later Mr. Shanahan purchased a large farm southeast of the city and for many years followed the occupation of farming until advancing age forced him to give up active work.

He was accounted successful in his calling and was the owner of one of the county's best farms, which is now being farmed by his sons. Mr. Shanahan also was a member of the Church of Our Saviour and was a faithful follower of its teachings. He is survived by his widow and six sons, William, James, Edward and Steven who reside on the farm; Henry of Chicago and Michael of this city. One sister, Mrs. Honora Dumphy of Champaign also survives.

On account of the illness of Mrs. Shanahan the body was taken to the home of his son Michael, 330 East College avenue. Funeral services will be held from the Church of Our Saviour at 9 o'clock Friday morning with interment in Calvary cemetery.

JUNIOR FOLLIES AT WOMAN'S COLLEGE

On Monday evening May 7th the Junior class of the Illinois Woman's College will present the "Junior Follies" in the gymnasium at 8:15.

The play includes music, dances, ballets, and some very clever dialogues, all of which will be further enhanced by elaborate settings and beautiful costumes. The Misses Mary Lois Clark and Audrey King are the originators of the plans, and have composed much of the music which will be used. The entire Junior class will assist, and the best talent available in the class will be used for the different parts.

After the play refreshments will be served in the hall of the Alpha Pi Delta society, the room being transformed into a Bohemian cafe.

All proceeds from the play and the refreshments will be turned over to the endowment fund.

As the Juniors are thus showing the proper spirit toward the college, the public should afford them a liberal patronage on that night.

REVIVAL MEETING TO BE HELD AT AREZVILLE

Reverend S. C. Hilburn, pastor of the M. E. church at Arenzville will begin a series of meetings there on Sunday, May 6th.

He will be assisted by Mrs. Hilburn as personal worker, and Miss Ruth Miller of Towser Hill, Ill., who is son, leader, soloist, and personal worker among the young people.

Miss Miller assisted Rev. Mr. Miller in his recent meeting at Concord and has proven her worth as an efficient worker.

BOARD APPOINTS PARK POLICEMEN

Charles Pierces and William Sauner are Given Positions for Summer—Janes at Park Begun Last Night—Will Oil Drives Soon

Public dances at Nichols park opened last night for the summer season. There was a large attendance. The dance is under the management of O. Spaulding, who has given the park board efficient service in this capacity during previous seasons.

Charles Pierces and William Sauner have been appointed as park policemen and will be on duty at Nichols park during the summer months. The appointments were made at a recent meeting of the park board.

It is planned to begin work soon on the drives thru Nichols park. These will be given a thorough oiling as soon as possible, so as to put them in good condition for the summer traffic. Then just before the opening of chautauqua the drives will again be oiled.

WHAT SHALL THEY NAME THE NEW HOTEL?

"What do you think should be the name of Jacksonville's new hotel?" That will be a pertinent question at no distant date, and there is no reason why the public should not discuss it now. The Journal will print suggestions from readers which may in this unofficial way be passed on to the stockholders and the directors of the hotel company, which is soon to be organized.

The executive committee associated with the hotel project has recently indicated that the financial affairs are such that a meeting of stockholders can soon be called and definite steps be taken for organization. All the share holders have the privilege of voting on the selection of directors who will represent the corporation in the transaction of business relating to the hotel.

One suggestion already made is that the new hostelry be known as Hotel Jacksonville. What is your suggestion?

CHILDREN READY FOR BIG TAG DAY

Judging by the number of girls and boys who have signified their intention to join in the "Children's Drive to Help Children" on Saturday, the "Heart Day" committee for the Volunteers of America hopes everyone will provide him or herself with some small coins and "Have a Heart" to help an unfortunate, for this is the tag day slogan. The committee intends to have every home in Jacksonville visited before too closing hour of the drive.

Purchasers are requested to wear their tags or hang them on their front doors to protect themselves from second appeals.

The Volunteers of America are to be honored next week at their National Conference in New York by having President and Mrs. Harding attend the first day's session. President Harding is to make the opening address.

MAY FIFTEENTH IS STRAW HAT DAY IN ILLINOIS

FERRY BROS. NOW ASSOCIATED IN BUSINESS

Announcement appears elsewhere in this paper that the firm of Grober & Ferry has been dissolved by mutual consent. Gruber retiring. The ownership of the store now passes to Francis J. Ferry, who has been in the business, and to his brother, John J. Ferry, the firm name to be Ferry Bros.

Francis Ferry has had years of experience in the retail trade and John J. Ferry prior to this was of service in the county clerk's and sheriff's offices was associated with a retail business. Both of the young men are widely and favorably known and under the joint membership the business of the store will no doubt be extended.

THREE ARRESTED

Three men were arrested Wednesday afternoon by Deputy Sheriff Edgar Jones and Henry Strawn and taken to the county jail. A telephone message to the sheriff's office indicated that the men were on the railroad track a short distance north of the city in some kind of an altercation. The deputy sheriffs made a hasty trip to the place indicated and found that one of the three had evidently been slugged by the other two. All three were taken into custody and to the county jail.

Two of the men answered the general description of those who robbed the C. & A. office recently. Mr. Hainline of the C. & A. took a look at the men under arrest but said they were not the depot robbers.

SPRING FROLIC HAS SURPRISING RESULTS

Illinois College Sophs Pay Unexpected Visits to Rural Districts After Making Freshies Perform on Track—Life on the Hill Waxes Interesting

Anyone visiting the Illinois college athletic field at the witching hour of twelve when Tuesday merged into Wednesday might have witnessed a rather astonishing scene. Seven trembling freshmen raced round the track, clad only in the garb which nature gave them, urged to their efforts by paddles in the willing hands of members of the sophomore class. This was the annual spring relay; but this year it had some surprising consequences—at least as far as the sophomores were concerned.

After the frolic, the sophs returned to their lairs in the dorm, willing to call it a good night's work. But the freshmen roamed abroad and plotted vengeance. About one o'clock Wednesday morning they began operations on the sophomores. Two of the welders of the paddle were hauled from their beds, loaded into an auto and transported into the rural districts. The freshmen unloaded their cargo and returned for more. Three trips were made, and at five o'clock in the morning the freshmen were also ready to call it a night's work. Two sophomores were out near Arnold, two about three miles west of the city, and two more somewhere near Virginia, at least nine miles north of here. The first weary sophs were straggling into town as the freshmen finished their work. Some, however, did not get back to the campus much before breakfast.

The upper classmen say it's an outrage, this conduct of the freshmen, and they threaten to convene a court. Water fights between the two classes have been frequent during the past week. In fact things seem to have been going wild on the Hill the past few days. Someone took down the bell cord yesterday, and the teachers had to conduct classes by their watches. Recently someone uncoupled one of the pipes in the organ, and during the chapel hour the pipe fell to the floor, creating considerable disturbance. Students and faculty are wondering what will happen next.

FUNERALS

Carter

The funeral of Mrs. Clara Carter was held at 3 o'clock Wednesday afternoon at the Gillham Funeral Home, with interment in East cemetery. Services were in charge of Rev. H. H. DeWitt and members of the Hicklin Tabernacle.

In charge of the flowers were Mrs. Ethel Taylor, and the Misses Sarah Foster, Catherine Hopper and Nellie Douglas. Music was furnished by a quartet from the Tabernacle.

Palbearers were: George Carr, Roy Ross, Walter Jordan, Roland Timberlake, Clarence Britt and Joe Barney.

WITH THE SICK

Miss Helen Patterson has returned to her home on Hackett avenue from Our Saviour's hospital after having her tonsils removed.

Mrs. William Hopper is ill at her home on West State street. Charles Baker is a patient at Passavant hospital, having undergone an operation for appendicitis Tuesday evening. Mr. Baker's condition is regarded as very satisfactory.

Mrs. Everett Reynolds who was recently a patient at the Passavant hospital, is improving very nicely at the home of her mother, Mrs. Hannah Hembrough, 1650 South Main street.

WESTMINSTER NOTES

Last Sunday morning Mr. Clarence Massey was ordained and installed as elder, and the following were installed elders, Mr. Robert R. Stevenson and Mr. Tunis V. Archer. Mr. Stanley I. Davis was ordained as deacon and he and Mr. Henry B. Kamm installed. Pres. Charles H. Rammelkamp has been re-elected as elder and will be installed in the future.

Benjamin Chapin impersonated Abraham Lincoln more impressively than any actor of our day. "A Son of Democracy" is a Lincoln cycle in twenty reels in which Mr. Chapin has set forth the life of Lincoln from boyhood to the presidency. Four of these reels will be given next Sunday night: "Down the River," and "The Slave Auction," are included in these reels.

COTERIE MET WITH MISS AMY ONKEN

Modern Writers Was the Subject of Roll Call—Two Papers Were Presented.

Chapin, May 3.—Miss Amy Onken was hostess to "The Coterie" Wednesday afternoon. "Modern Writers" were named in answer to roll call. Mrs. R. E. Nickle read an excellent paper on "Herbert Wells" and briefly reviewed his "War of the Worlds." Mrs. E. F. Joy read an entertaining story entitled "The Earth and Everything." Victrola music was enjoyed. During the social hour the hostess served delicious refreshments. Guests were Mrs. Phoebe Scott and Mrs. E. E. Sidice.

Mr. and Mrs. Charles Cowdin visited in Springfield Tuesday.

A. C. Rice of Jacksonville was a visitor here Wednesday.

Word was received here Wednesday morning of the birth of a son to Mr. and Mrs. John Claus of Jacksonville. Mrs. Claus was formerly Miss Addie Fox.

Mr. and Mrs. J. L. Alderson were guests at the home of Mrs. Minnie Coultas of Markham Wednesday.

Mrs. F. M. Crabtree was hostess to the Household Science club Wednesday afternoon.

L. F. O'DONNELL HOME FROM TRIP

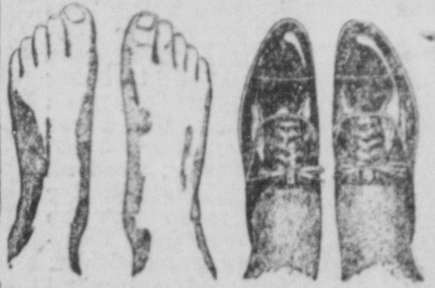

L. F. O'Donnell returned last night from a business trip from Chicago, and reports that, generally speaking, the roads between here and Chicago are fine, with a few exceptions; Marcellus, which has always been rough going, is now being paved, and the hard road work begun at Ottawa. He found that these were the only bad stretches except between Springfield and Bureau, on which hard road construction is soon to begin. Between Jacksonville and Springfield, the old State road is being graded and dragged and the road is fine. The new fill at Riddle Hill is about complete, and should be in a condition to use in the next few days. The Mason City bridge has three spans complete and should be completed very soon.

Mr. O'Donnell found that the automobile production has far exceeded any expectations. The greatest trouble, however, is transportation, as it is entirely impossible to obtain sufficient equipment for railroad shipments of carloads. As a result, the manufacturers are forced to depend mostly on overland drives to effect deliveries. Some of the leading manufacturers of Detroit have chartered boats to bring the autos from Detroit to Chicago, and from there they will be driven overland to destination.
